**First:** Select a category on the left

**Next:** Choose the appropriate course name, once you click on the course you want, it will highlight in blue

**Then:** Click the (+) button.

A full year class will fill BOTH sides.

A semester class will fill ONE side.

To add a class to 2nd Semester ONLY click the (+) button next to 2nd Semester.

If you add the wrong class, DON'T WORRY, just HIGHLIGHT the class you DON'T want and press the (-) button next to the appropriate semester.

Continue this process until you have added all your courses, including a minimum of 2 **alternative courses**.
